

“The joy of participating in the Life♥Stewardship Institute™ with The Stewardship Alliance was catalyzed in through the blend of biblical substance, skilled presenters, practical application, and kindred spirits. Reminded me of David’s integrity of heart and skillful hands (Ps. 78:72).”

- Steve Nichol, JD
Senior Gift Planning Counsel
Samaritan’s Purse

“The commitment of the Life♥Stewardship Institute™ to increasing Kingdom dollars is portrayed in the highly relational and technical training they provide. Through this training to equip professional advisors and ministries, I have been able to more fully assist our financial partners to understand and implement stewardship plans for themselves, their businesses, families and for the support of Bible translation.”

- Karen Anderson
Gift Planning Associate
Wycliffe Foundation

“I’ve experienced first-hand the professionalism and dedication to Biblical Stewardship that The Stewardship Alliance has and would highly recommend them to any Ministry desiring to maximize the Stewardship potential of their donors.

“Thank you to The Stewardship Alliance for doing your part in helping release resources to fulfill the Great Commission.”

- Mike Kennedy
Former Vice President
The Wycliffe Foundation

“More than ever, the need for clear understanding and commitment to Biblical financial stewardship is paramount with our gift planning programs. Many times an organization, like FCA, needs to supplement our services to our donors by utilizing an outside team of professionals who model Biblical stewardship. The Stewardship Alliance is such a team of Godly people modeling these principles in all they do.”

- Ralph Stewart
Retired Vice President of Stewardship
Fellowship of Christian Athletes

“The training I have received from the Life♥Stewardship Institute™ has been invaluable as I endeavor to serve others who are contemplating their stewardship plans. The learning and fellowship that occurs at every Institute session is truly a blessing. Not only has my understanding of the technical aspects of my work been enhanced, but I have been inspired to incorporate Biblical stewardship principles into my work and my personal life at a far deeper level than before meeting those associated with the Institute and The Stewardship Alliance.”

- Jill Heller, JD
Attorney and Gift Planning Associate
Wycliffe Foundation

I have been a Planned Giving Officer for many years and have served with several non-profits, including both secular charities and Christian ministries. Over the years, I have had a significant amount of training from numerous organizations and I must say that the page by page explanations of advanced trust drafting provisions by Attorney Bruce Stone I received while attending the Summer Session of the Life♥Stewardship Institute™ was the best training I have ever received.
